50X1-HUM

The factory, however, will eventually have to cease production because the bun on inter-Provincial trade makes it impossible to dispose of 1,150 tons of cellulose already produced. In addition, there will soon be no storage space stallable.

4. In revenuer type, three paper milis ceased production because of lack of raw raterials. It seemed probable that in the near future other paper mills would also close down.
